Sole Source Verification for Axis Scientific

This letter is to confirm that the Axis Scientific brand of anatomy models is a sole source product, manufactured, sold and distributed exclusively by Anatomy Warehouse. No other company produces or has authorized distribution of the Axis Scientific brand of products. The Axis Scientific brand must be purchased directly by institutions from Anatomy Warehouse.

There are no agents or dealers authorized to represent this product.

If you require any additional information, please do not hesitate to contact us by phone, email or mail. Thank you for your interest in and support of our products.

Sincerely,

Support Team
Axis Scientific
