

**Axis Scientific Enlarged Model of Cervical Spine**

**A-111942**

Cervical vertebrae  
Spinous process of cervical spine  
Transverse process of cervical spine  
Vertebral artery  
Superior articular process  
Anterior branch of spinal nerve  
Posterior branch of spinal nerve  
Communicating branch of spinal nerve  
Spinal ganglia  
Dura mater  
Anterior median fissure  
Anterolateral sulcus  
Posterolateral sulcus  
Posterior median sulcus  
Central tube  
Anterior horn of gray matter  
Posterior horn of gray matter  
Thin bundle  
Wedge bundle  
Lateral funiculus of white matter  
Anterior funiculus of white matter
